

# AVON women's ring sizer

Match a circle with  
the inside of one of  
your rings to find  
the size.

## Did you know?

- **All Avon costume jewelry is triple-plated for longer wear;** the third & final layer is composed of a precious metal, such as Silver, Rhodium, or 23k Gold.
- **Avon jewelry is nickel-free,** which means fewer allergic reactions.
- **Avon makes it easy to keep your jewelry looking beautiful longer—**just use one of the Avon Jewelry cleaners specifically formulated for the products.
